Collective action and shared ownership for driving gender parity is what makes International Women's Day successful. To make it its own day Team NSSPL could do a little on the day to make a positive difference for women. We reached out to our lady dealers and consumers to present them with flowers, gifts, chocolates and saplings, recorded their view on the above hash tag, devised by a concerned global organization. Then at Pravesh stall in Berhampore Mela, we extended our initiative to the women visitors and also announced women special scheme against booking of Pravesh at the stall on the day. Selfies and wefies were in common and also enjoyed by our own women staff. The women felt honored and appreciated the initiative towards making them feel joyous and proud.

Thank you!
